The “Am I Missing Anything?” Session

You’ve planned the wedding of your dreams... but still can’t shake the thought you’ve missed something?

Enter: the “Am I Missing Anything?” Session.

Before the summer wedding season takes full flight, we’re opening up a brand-new offering designed especially for couples who’ve been planning their day themselves but would love a professional second set of eyes.

This is your chance to sit down with a seasoned planner (virtually or in person) to:

- Share a snapshot of your wedding plans so far
- Ask all those burning “is this the right way to do it?” questions
- Uncover any gaps or details you might have missed
- Sense check any new ideas that you have bubbling in the background
- Gain insight into any pitfalls you may be headed towards

You’ll leave this 90 minute session with a customised action tracker to give you confidence, clarity and peace of mind heading into your big day.

Pricing:

\$375 + GST (excluding travel, if any)

Limited spaces available before summer kicks off

Option to receive a custom event timeline following this session for an additional \$75 + GST

MEET LISA LANGSFORD

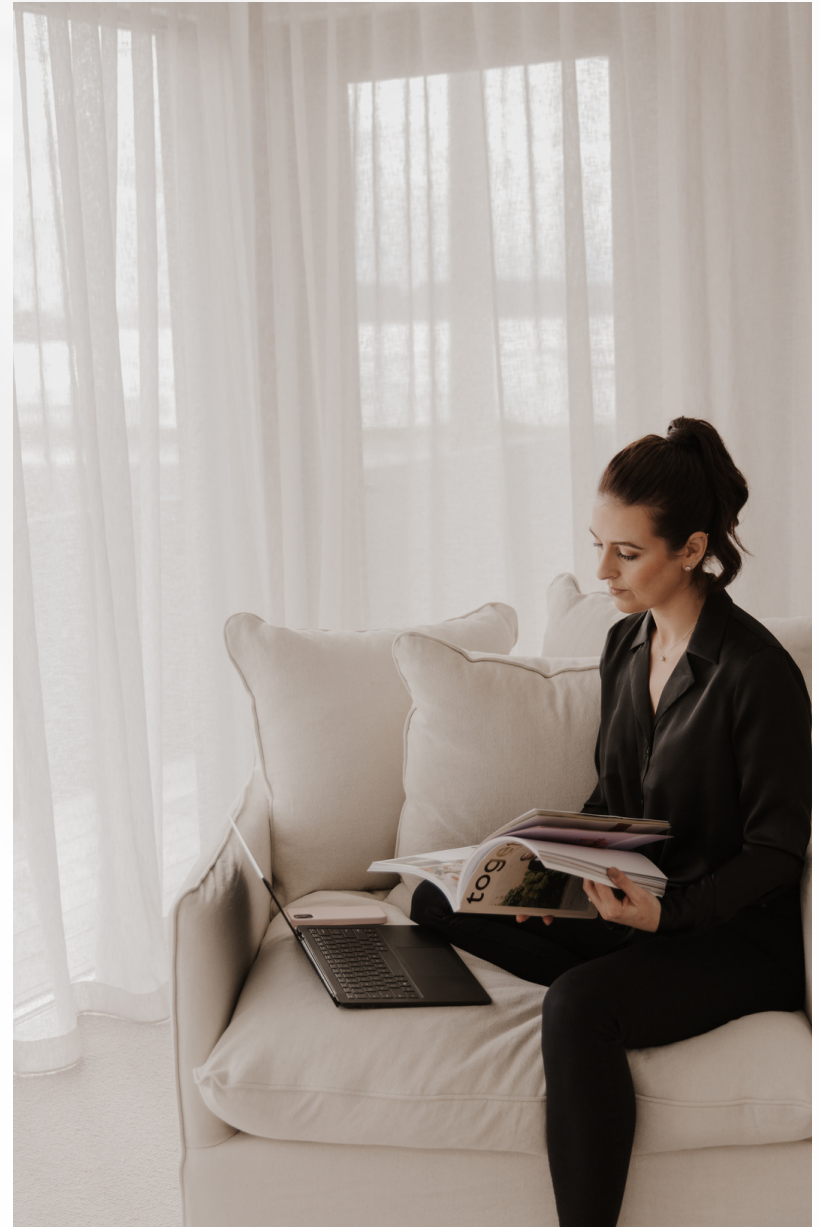

Owner & Principal Planner - With Love Weddings & Events

At With Love, we believe that wedding planning should be fun. You've no doubt been waiting a lifetime for this moment, and you don't have to navigate the journey alone.

My name is Lisa and I'm passionate about supporting couples to truly enjoy the ride when it comes to bringing their dream day to life. With a background in hospitality, event management and the facilitation of leadership training, I've blended these experiences, to offer a modern, elevated service that goes beyond logistics - often building life long friendships along the way.

Over the years, I've seen even the most organised couples feel like they've missed something, or worry about "not knowing what they don't know." That's where I can jump in. As your trusted second set of eyes, I catch the details you might not see, flag potential pitfalls, and give you the clarity and peace of mind you deserve before your big day.

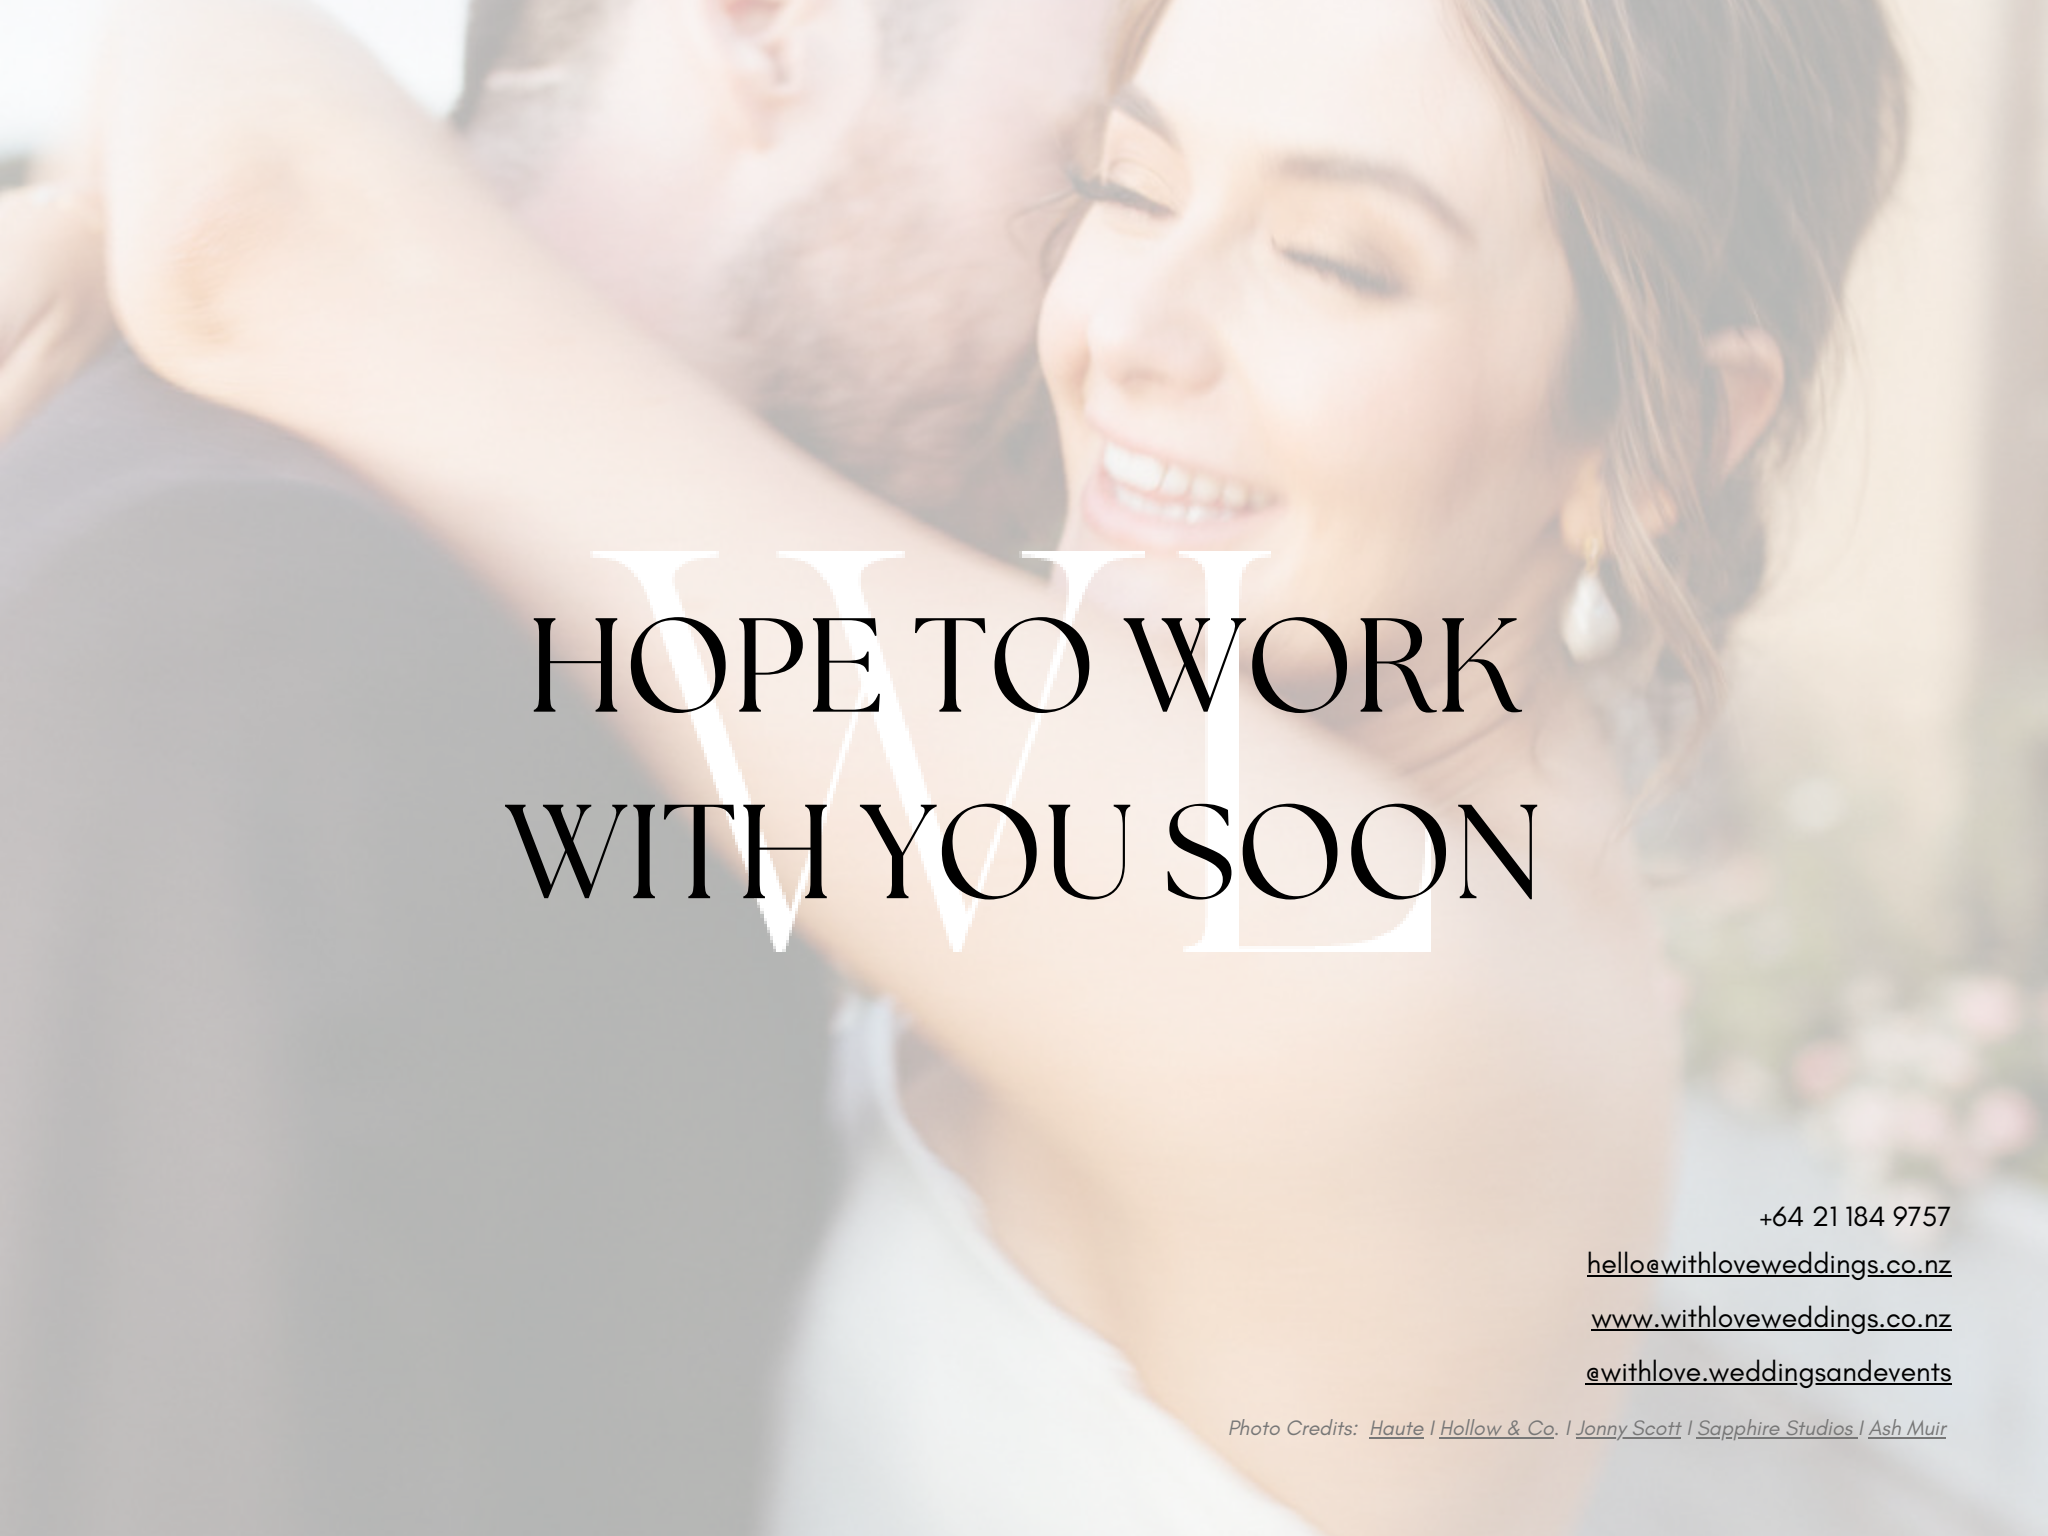

I love creating a calm, supportive space where you can ask all your "is this the right way?" questions and leave feeling confident, prepared, and genuinely excited.
